

Fees Effective August 1, 2020

Parents, in an effort to give you all the cost up front to budget for the scouting year the pack has put together this breakdown of all the fees for the year. Keep in mind some of these fees are Pack fees to fund pack activities and awards, and some are BSA National Fees, and some are our local Istrouma Area Council fees. The pack has been fortunate and has not raised fees in the last 5 years. We do understand that the National and Local fees do increase as programs cost more each year to put on. Keeping this in mind this is why we stress to participate in the Popcorn fundraising activity and other fundraisers to help the scout offset these fees and reducing the burden on you the parents. A portion of the money earned goes in to the scout accounts to cover these cost. Not all of these fees are due up front. Pack dues, Boys life and the Split Council fee are up front. The Rest are due in December for Re-charter for the next year. The \$60 Council Program fee is per family fee. It doesn't matter if you have one or five kids registered, you only pay this for the first registration. If anyone has questions please feel free to contact the Cubmaster or any one of the den leaders.
